

This screen-shot shows what happens when the 'Why Can't I Access this button' option is clicked in the Employee menu.

## Create Order

Finding Product

Find Product:

ProductID	ProductName	
1	Pedigree jumbone	500
3	Telmin oral paste	200
4	Royal canin health ...	8Kg
5	Pramox	19g.

Beacon Vets Stock Control

The Reason you cannot access the above options is because you must be logged into the master account to access them.

OK

When the option is clicked, this pop up window is displayed to the user. It tells the user that they need to be logged into the administrator account to add edit or delete employees.

Clicking this button will close The pop up window.
